Mothers Fund gives \$10,000 grant

Vivian Osowski, Executive Director of CASA for Kids, accepts a \$10,000 Mother's Fund grant from Carlyn Belczyk, Immediate Past Chairman of the Board of the Washington County Community Foundation and current Chairman of the Foundation's Women of Philanthropy Committee. Previously, the largest grant awarded from the Mother's Fund was \$1,000. The WCCF was able to increase the amount of the grant ten-fold due to the success of the Women of Philanthropy Campaign in 2007 which raised \$230,000 for the fund.
