

Eleanor M. Campbell Fund

The *Eleanor M. Campbell Fund* was created by John Campbell and Charles Campbell to honor their mother's caring nature. The fund distributes grants to support Washington Hospital's nursing programs and/or the School of Nursing.

Having turned 95 in 2004, Eleanor has spent a full life caring for family, friends and even strangers. A longtime registered nurse, her compassion and kindness were expressed daily through the way she worked and lived.
