

Richard L. & Margaret B. White Fund

As a surprise gift to Richard and Margaret White, on the occasion of Richard's retirement as President of Washington Federal Saving Bank (now Washington Financial), Washington Federal and a long list of businesses and individuals made contributions to create the *Richard L. & Margaret B. White Fund*.

Richard and Margaret met while he was working for Washington Federal and she for Mellon Bank. After they married, Margaret left her 9 to 5 job to work full-time as a wife, mother, and family caregiver. She was very active in the PTA and various youth organizations. Later, she began volunteering for The Washington Hospital.

Richard, who spent more than 40 years with Washington Federal, was very active in the community. He was a Founding Trustee of the Washington County Community Foundation, serving as Treasurer in its beginning years. He now serves as the Foundation's Chairman of the Board. Other foundations with which Richard has been involved are the Washington Federal Charitable Foundation and the Washington Hospital Foundation. He is a past chairman of the Washington County Council on Economic Development.

The White family recommends grants from the fund.
