

*Burgettstown Jr. Sr. High School Student Council
Leadership Scholarship Fund*

The *Burgettstown Jr. Sr. High School Student Council Leadership Scholarship Fund* was created in 1999 by the Burgettstown Jr. Sr. High School Student Council to provide scholarships to future leaders of Burgettstown High School.

The Burgettstown Student Council, with tremendous support from their advisor, Ms. Mary Elaine Lozosky, began a campaign in late 1999 to raise money to create a permanent fund at WCCF for scholarships.

The students initiated the fund with monies they had raised through various efforts over the years. Next, they began a letter writing campaign to local individuals, businesses and Burgettstown alumni.

In less than a month they had raised the requisite of \$5,000. By the end of the 1999-2000 school year, they had over \$12,000 in the fund.
