

Community Action Southwest Fund—NP

This fund was created by Community Action Southwest for its own benefit.

Community Action Southwest has been serving Washington and Greene counties since 1965. Their mission is to mobilize public and private resources to deal with the causes of poverty, not just its impact. The company feels that it is their role to provide a hand up, not a hand out, by incorporating self-help and education into all of their programs and services.

Their website is www.caswg.org
