Steelers Ticket Raffle to Benefit Acorn Fund of Community Foundation

The Washington County Community Foundation (WCCF) is raffling four Steelers tickets and complimentary limousine service to and from Heinz Field for the December 27 game against the Baltimore Ravens. The Steelers tickets were donated by the *Observer-Reporter* and are in section 224, in the end zone opposite the jumbotron. The price of a raffle ticket is \$10 per ticket, with the drawing held on Friday, December 11, 2009.

All proceeds of the raffle will benefit the WCCF's **Acorn Fund**. In no way affiliated with the national A.C.O.R.N., the **Acorn Fund** makes grants to charities in Washington County. Cumulatively, more than \$120,000 has been awarded from the Fund in all six of the WCCF's funding areas of arts & humanities, education, environment & animal welfare, health & fitness, human needs, and religion & faith-based. Just a few of the charities that have received grants are the Washington County Library System, Washington County Literacy Council, Washington County Food Bank, Washington Symphony Orchestra, Washington County Humane Society, CASA for Kids, Little Lake Theater, Interfaith Hospitality Network, and the Washington Community Arts & Cultural Center.

Raffle tickets are available for purchase through WCCF Trustees or by contacting the WCCF at 724-222-6330 or info@wccf.net.
