

Since its creation in 1999, the *Mother's Fund* of the Washington County Community Foundation has granted \$158,000 to local charities in support of *disadvantaged women and children* in Washington County.

We hope that you might consider making a gift to the *Mother's Fund* at this time to provide additional grants in support of *disadvantaged women and children* while honoring the special women in your life — Mother, Wife, Grandmother, Sister, Cousin, Aunt, or Friend— who hold special places in your heart. Gifts may be made by check using the form on the reverse, or electronically via *www.wccf.net*.

Your gift will be acknowledged with a yellow rose card sent in time for Mother's Day (Minimum of \$15 per card would be appreciated). Memorial contributions are also encouraged. All gifts are tax deductible and will be recognized in the June issue of our electronic newsletter, *Caring Matters*.

Please contact us with any questions at 724-222-6330 or *WomenOfPhilanthropy@wccf.net*.
