

Donor Software Survey Results & Open Forum

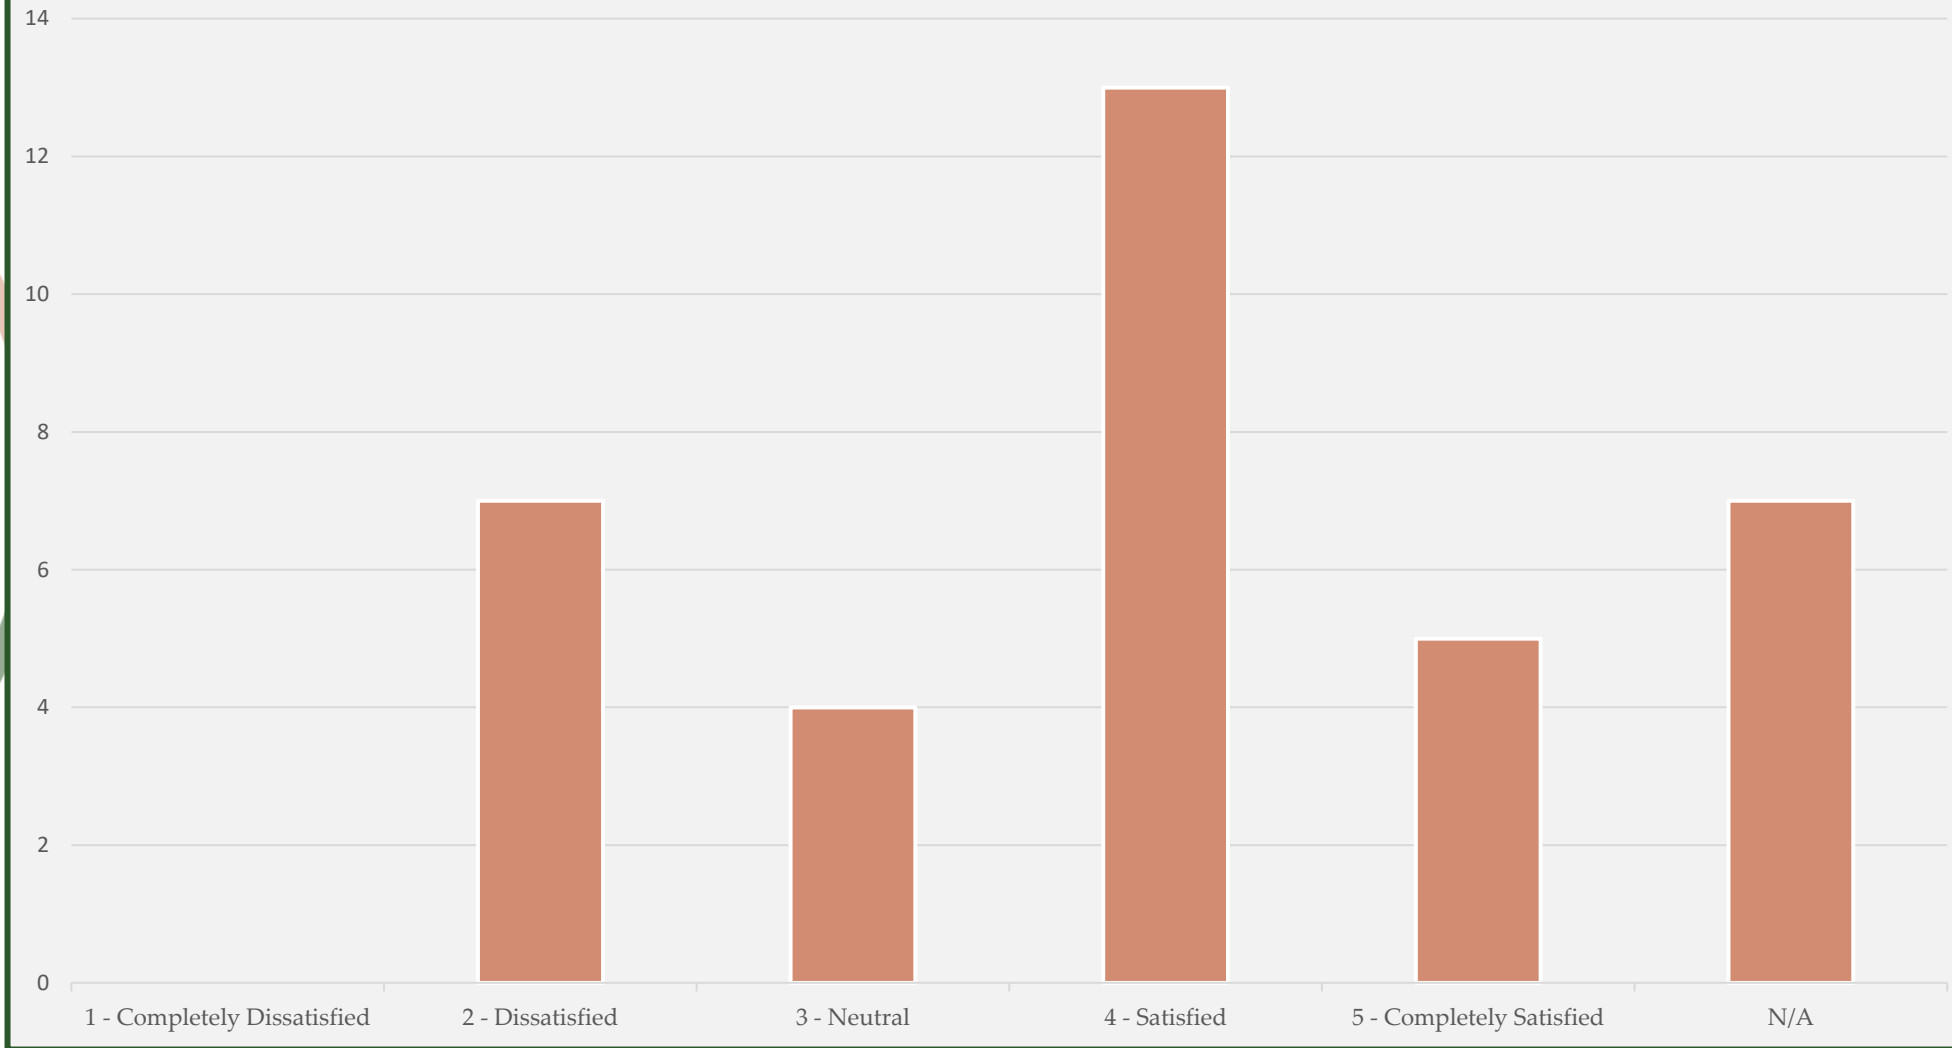

WASHINGTON COUNTY COMMUNITY FOUNDATION

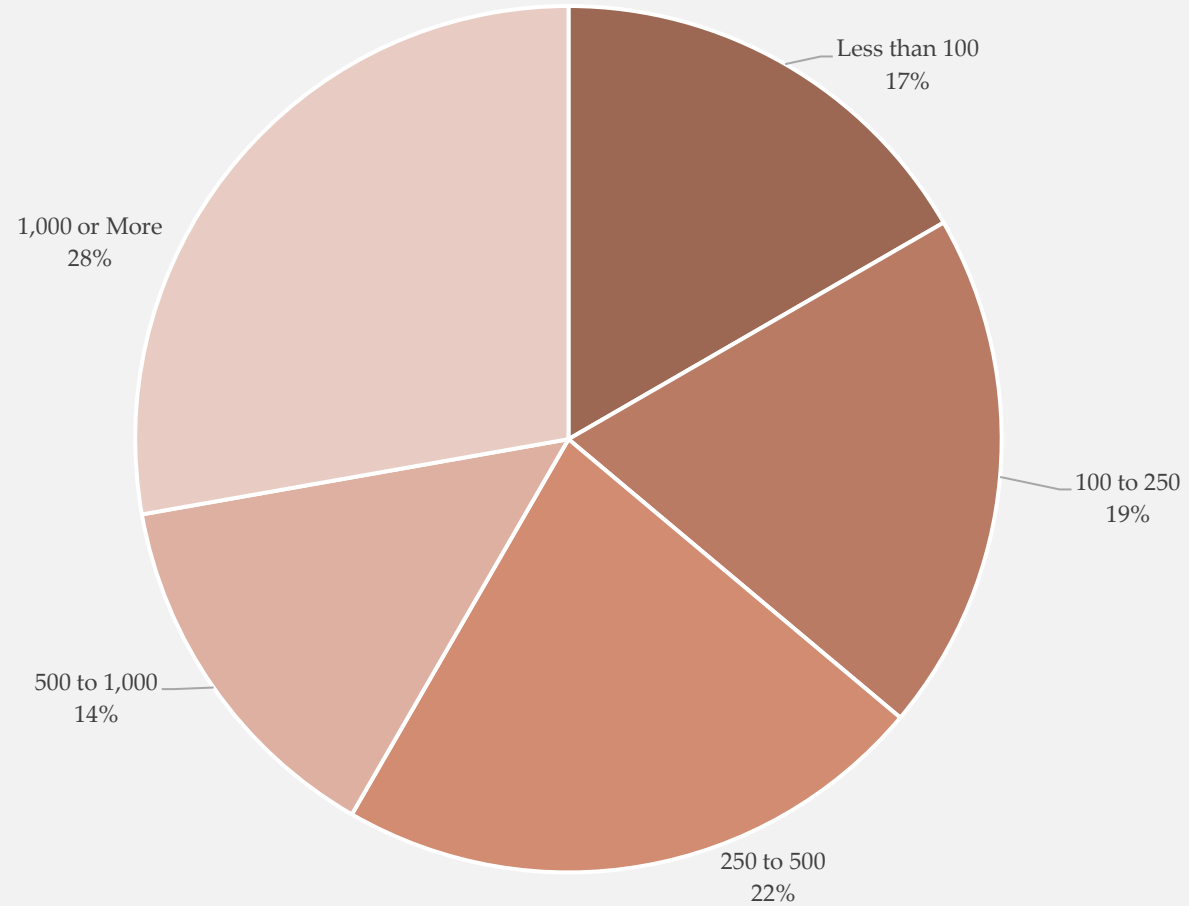

What software program does your charity use to manage its donor information?

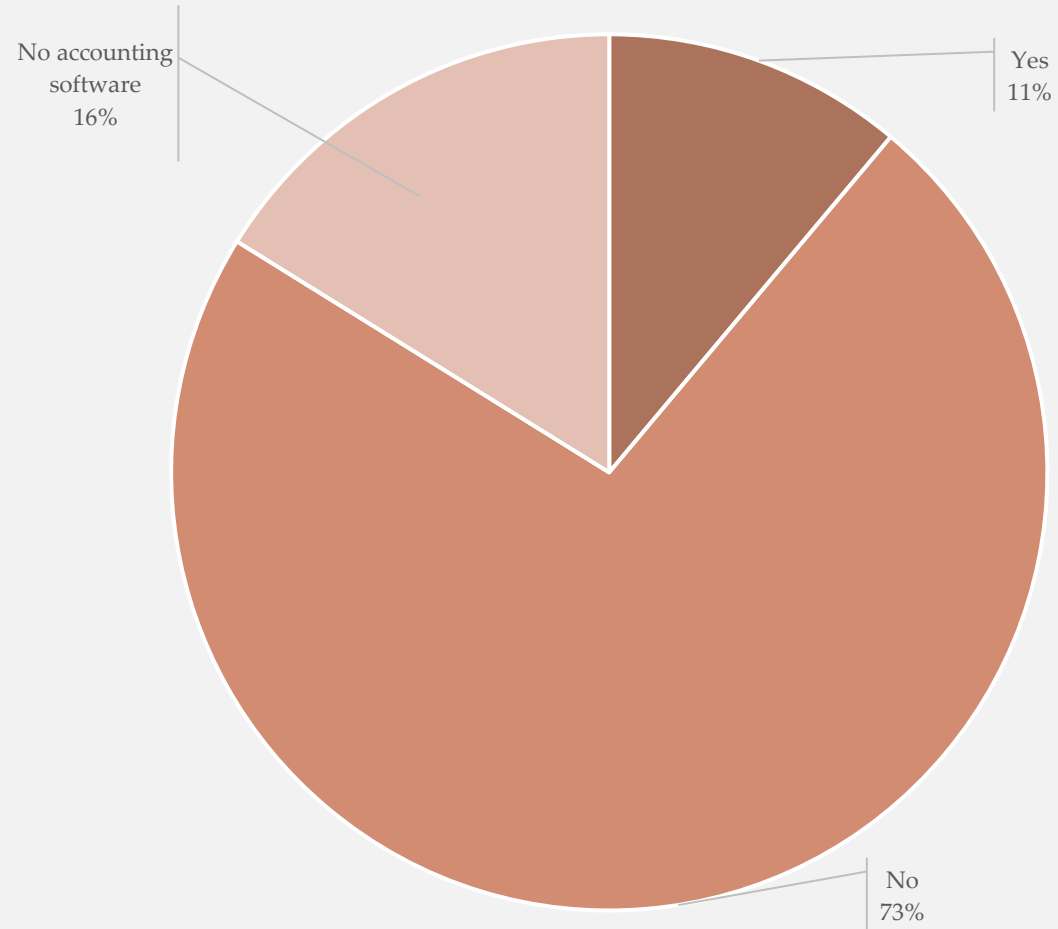

Rate your satisfaction with your donor management software on a scale of 1 to 5.

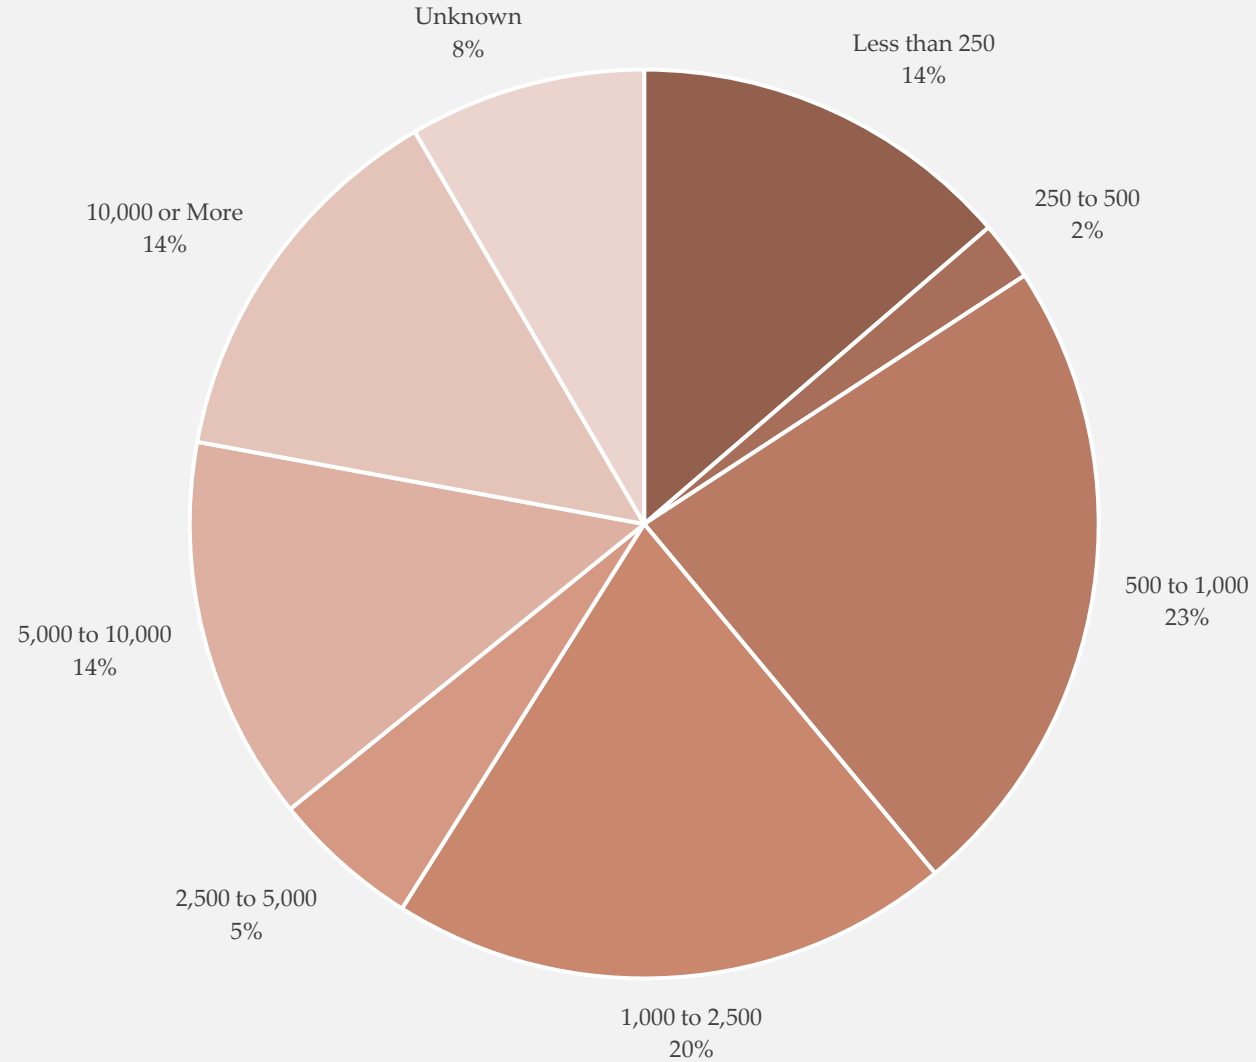

**How many contributions (individual and corporate)
does your charity receive annually?**

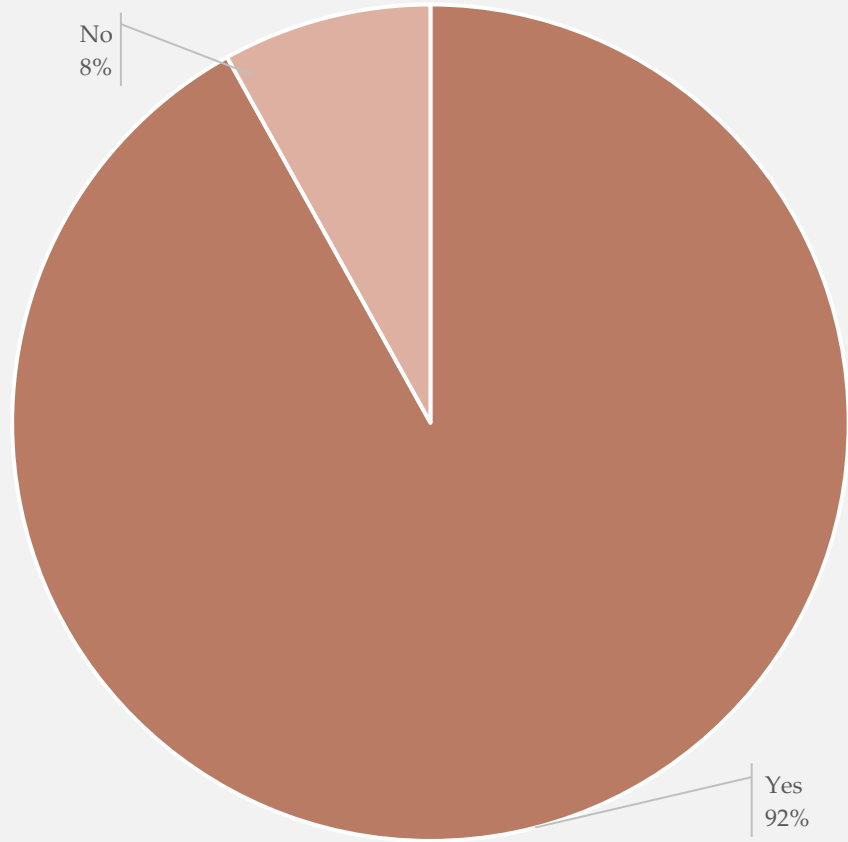

If you currently use a donor management software program, is it integrated with your accounting software (e.g. Quickbooks)?

In total, how many contacts does your charity have in its database?

Does your charity have online giving?
